SENATE BILL

No. 433

Introduced by Senator Simitian

February 17, 2005

~~An act to amend Section 1798.90.1 of the Civil Code, relating to personal information. An act to add Section 1672.7 to the Vehicle Code, relating to the Department of Motor Vehicles.~~

LEGISLATIVE COUNSEL'S DIGEST

SB 433, as amended, Simitian. ~~Personal information: driver's licenses. Department of Motor Vehicles: personal information.~~

Existing law requires the Department of Motor Vehicles, upon proper application, to issue an original driver's license or identification card, or a renewal, duplicate, or replacement driver's license or identification card.

This bill would prohibit the department from issuing, renewing, duplicating, or replacing a driver's license or identification card, if the license or card uses radio waves to either transmit personal information remotely or to enable personal information to be read from the license or card remotely.

~~Existing law authorizes any business to swipe in any electronic device a driver's license or identification card issued by the Department of Motor Vehicles for verification and other specified purposes. It is a misdemeanor to retain or use any of the information obtained by that electronic means for any other purpose.~~

~~This bill would require a business to obtain the express consent of the holder to swipe or electronically read the information stored electronically in a driver's license or identification card issued by the Department of Motor Vehicles using any electronic device for verification and other specified purposes. By expanding the definition of a crime, the bill would impose a state-mandated local program.~~

~~The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that no reimbursement is required by this act for a specified reason.~~

Vote: majority. Appropriation: no. Fiscal committee: ~~yes~~-no.
State-mandated local program: ~~yes~~-no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 1672.7 is added to the Vehicle Code, to
- 2 read:
- 3 1672.7. (a) The department shall not issue an original
- 4 driver's license, issue an identification card pursuant to Section
- 5 13000, or issue a renewal, duplicate, or replacement driver's

- 7 waves either to transmit personal information remotely or to
- 8 enable personal information to be read from the license or card
- 9 remotely.

- 11 apply:

37 SEC. 2. ~~No reimbursement is required by this act pursuant to~~
38 ~~Section 6 of Article XIII B of the California Constitution because~~
39 ~~the only costs that may be incurred by a local agency or school~~
40 ~~district will be incurred because this act creates a new crime or~~

1 ~~infraction, eliminates a crime or infraction, or changes the~~
2 ~~penalty for a crime or infraction, within the meaning of Section~~
3 ~~17556 of the Government Code, or changes the definition of a~~
4 ~~crime within the meaning of Section 6 of Article XIII B of the~~
5 ~~California Constitution.~~
